

St Margaret's CEVA School

Newsletter 2 - September 2025

Our classrooms are buzzing with energy! From reception all the way to year 6, the children have got stuck into their learning with loads of enthusiasm and determination.

We are very pleased to welcome new families to our school, it's great to have you with us!

With the weather turning colder, please make sure your children come to school wrapped up warm. Jumpers, cardigans, and coats are a must to keep everyone warm and ready for being outdoors, even if it's raining, we'll still be heading outside!

Where 10 or more responses are received, an anonymised summary will be shared with the school.

Discoverers

This month, we have begun exploring the ideas of Identity and Belonging, looking at some of the things we all share in common and some of the things that make us all different. We are continuing to look at different types of families as well as learning lots of facts about our bodies and the amazing things they can do. The children have been practicing and honing their fine motor skills and hand-eye co-ordination through a wide variety of finger gym activities, which we change up daily.

Now that Autumn is officially upon us, we will be examining all that the change of season brings, and we will be starting off by inviting the children to collect some Autumn treasures which we will sort and investigate together.
