

St Margaret's CEVA School

Newsletter 9 – May 2025

Good afternoon everyone, what a quick half term that has been! We have been lucky enough to enjoy some wonderful weather and to be outside a lot more. We've had a busy few weeks with lots of lovely things happening in school including our VE day picnic and careers week.

Year 6

The Year 6 children have made us proud these past few weeks by completing their SATs and have really shown our core Christian values of school; love, honesty courage, respect, friendship and trust. Thank you to Mrs Bailey-Jones for providing them with a cooked breakfast to start them up each day.

Girls Football Programme

Well done to the girls who took part in the football fun sessions and tournament held at Yeovil Rec. As always you represented the school in true St Margaret's fashion by working as a team and supporting your peers. They came 3rd overall out of 13 schools - what an amazing achievement, we are very proud of you!

Family Summer Party

We hope you will support us by coming along to our Family Summer Party after school on **Friday 18th July**. We will be having a BBQ, along with ice creams, music and some games. Hopefully the weather will be kind to us!

Opal Play Resources

As we are entering the warmer and drier months (fingers crossed!), it has been great to get back outside and explore our dressing up collections, Barbies and toys. We are always on the hunt for resources to expand our opal play so please do join in with the **OPAL BINGO** for a chance to win your child's class extra break time! All we are asking is if you can fill up as much of the board as possible. If you do have anything you are willing to donate, please do bring it into school.

Get ready to play... OPAL BINGO				
Brooms 	Suitcase 	Wooden spoons 	Action figures 	Old electronics 
Dress up items 	Cars 	Dinosaurs 	Pans 	Plastic dolls 
Lego 	Balls 	Scooters 	Ropes 	Tarpaulin 
Old Paint brushes 	Buckets 	Trowels 	Skateboard 	Spades or shovels 
Guttering 	Wooden planks 	Cable reels 	Containers 	Chalk 

Careers Week

The school has been buzzing with excitement during careers week! The children have thoroughly enjoyed exploring and learning about some of the very many different opportunities which lie ahead of them. A huge thank you to the parents and visitors for providing such interesting and insightful talks and for giving up your time.

Childhood Day Mile

On **Friday 6th June** we will be supporting the NSPCC by taking part in the Childhood Day Mile. We will be raising money for the charity by completing an activity that involves moving a mile.

Please fill in the fundraiser form and return to school by Monday 9th June.

Colour Run

Get ready for a blast of colour, energy, and fun at the Colour Run happening on Sunday 13th July! Whether you choose to walk, run, or jog, this vibrant event promises an unforgettable experience for everyone. Picture yourself moving through clouds of brilliant powder paint, surrounded by music, cheering crowds, and endless good vibes. It's not about the speed—it's about the joy, the mess, and the memories! To ensure parents can enjoy the spectacle from the sidelines, members of staff will be taking part in the run alongside the children. If you decide to take part, please make sure to let Miss Thick know once you've booked.

Please help!

We are working with Jones Building Group to build a bottle greenhouse, and we need 2l plastic bottles please. **We need around 1000 bottles so please do keep them coming!** Please bring any donations to the office. The bottles do all need to be the bigger fizzy pop style bottles as we need to use the same bottle throughout.

Discoverers

May brought with it some glorious sunshine, meaning that we could spend lots of time learning outdoors. We got busy, learning about VE Day and making some fabulous decorations to adorn our garden, as we joined in with the whole school celebrations.

The wonderful weather gave us lots of opportunities to make the most of our outside area, practising and developing our motor skills through climbing, biking and ball skills, as well as using the grounds and its natural resources to develop all areas of our learning. Emotions and feelings were explored during Mental Health Week, looking at how to recognise and name different feelings, finding ways to deal with them and looking at how we can help each other with our feelings too. The children have thoroughly enjoyed being involved in the school's Career Week and had great fun immersing themselves in all the activities laid on by our visitors. When we return after the half-term break, it will be full steam ahead for a busy term, with our sport's morning, end of year graduation and lots more learning and fun!
